LIMITED WARRANTY REGISTER AND UPDATE YOUR TOOLS FOR UP-TO-DATE VEHICLE COVERAGE

STANDARD POLICY

Autel guarantees to the original end-user that its products are free from defects in material and workmanship for a specified period of time depending on the product.

Autel will repair or replace warranted products at its discretion:

- Replaced products will either be new or re-certified
- All re-certified products will be tested to ensure their hardware and software are functionally equivalent to new products

DO NOT OPEN OR DISASSEMBLE AUTEL PRODUCTS:

- Opening and/or disassembling an Autel product will void the product's warranty
- Contact Autel Tech Support for assistance

This limited warranty does not apply to:

- Product with a cracked screen, broken case, chemical exposure or liquid damage
- Damaged product due to accident, abuse, misuse, natural disaster, insufficient or excessive electrical supply, abnormal mechanical or environmental conditions or unauthorized disassembly, repair or modification
- Consumable parts, such as batteries or protective coatings that are designed to diminish over time, unless failure has occurred due to a defect in materials or workmanship
- Product not used in accordance with accompanying instructions or intended use

STANDARD PROCEDURE

- Any defective products require a Return Goods Authorization (RGA) number from Autel to be serviced
- Contact Autel Tech Support to obtain an RGA number
- The end-user is responsible for the cost of insuring and shipping products to Autel for repair or replacement
- Autel will cover the return shipping cost of the repaired or replacement tool with the same delivery speed by which it was received
- Tools must be properly packaged to prevent damage during transit
- The Autel RGA number must be prominently displayed on the outside of the package
- Packaged received by Autel without the RGA number prominently displayed will be returned, unopened
- Autel cannot guarantee the security of a unit that is shipped without an Autel-issued RGA

WARRANTY INFORMATION

The tools and accessories in this catalog are covered under the Autel Limited Warranty for ONE (1) YEAR from date of tool purchase. I-Sensors and BLE Sensors are covered from the date of purchase, for 24-months or a distance of 24,000 miles, whichever comes first.

FREE SOFTWARE UPDATES

Any tool that has Android software gets 1 year of free software and a 1-year limited warranty. The following tools are eligible for free software updates for ONE (1) YEAR from date of tool registration.

- MaxiTPMS TS900
- MaxiTPMS ITS600*
- MaxiTPMS ITS600PRO*

*TPMS, OLS, BMS, SAS and EPB updates for the ITS600 and ITS600PRO are free for the lifetime of the tool. Service and diagnostic functions are free for 1 year and will require an additional TCP purchase when the 1 year expires.

The following tools are eligible for free software updates for the LIFETIME OF THE TOOL from date of tool registration.

- MaxiTPMS TS508WF
